

# **Public Landowner Meeting**

**Sponsored by**

**The Tioga County Landowners Group**

## **The Geology of Tioga County**

*Don Zaengle - Petroleum Geologist with a Masters in Geology and over 20 of experience in exploration, development, and production. After several months of study Don has a major update on the natural gas opportunities in Tioga County. His investigation will provide insight into the evaluation process used by the energy companies. He has returned, by special request, with an update so don't miss this important meeting.*

**Tioga Central Middle School Auditorium  
Fifth Avenue  
Tioga Center, NY 13845**

**Friday, June 26, 2009  
7:00pm-9:00pm**
